

Landscape Service Slip

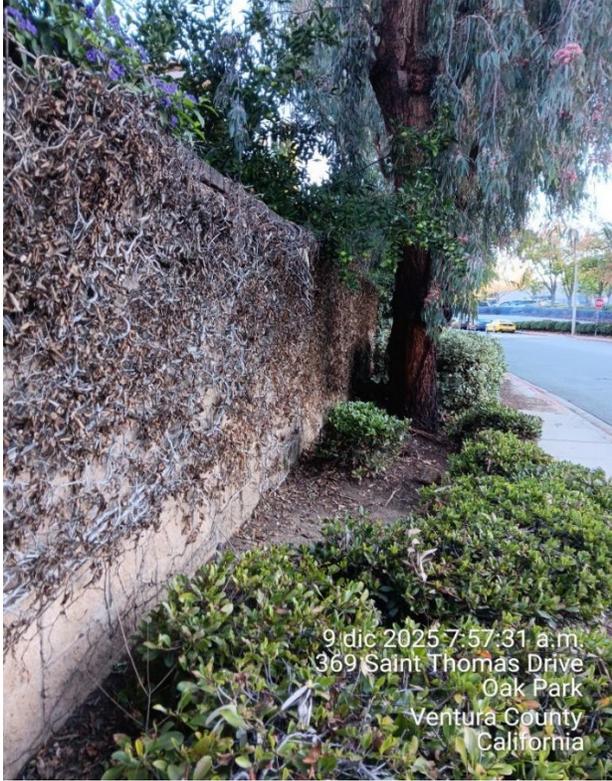

On November 19th, the turf was fertilized and on December 2nd reseeding started. Dead vegetation was removed from the wall on Rockfield Street, near Red Oak Elementary School on December 2nd. On December 11th, a meeting took place with our arborist to begin the first phase of tree pruning. On December 13th, new color was approved to be added to welcome signs. On December 20th, planting was approved and work began on Hawthorne Drive. Work is not completed and will be monitored for progress. Damaged enclosures were also replaced, and straw wattles were installed to retain the slopes and keep dirt runoff minimal.
