

OAK PARK MAC - REQUEST TICKLER LOG (OPEN)

Ref #	Date Requested / Reported	Category	Sub Category	Request / Issue Description	Activity / Update	Priority / Time Sensitivity (Low, Med, High, Critical)	Responsible Party	Status	Estimated or Actual Completion Date
1	2023	Public Safety	Roads & Transportation	Street paving: It has been several years since main and residential streets have been repaved.	Update 1/29/26: Construction is scheduled to begin in September 2026 with an estimated completion date of November 2026. For updates and the map refer to: PAVEMENT RESURFACING - EAST OAK PARK AREA - Ventura County Public Works Agency Update 4/16/25: As presented at the 3/27/25 OP MAC meeting, Ventura County Public Works Agency Transportation Director, Anitha Balan, presented the East Oak Park Street Paving plan for completion in 2026. Update 2/18/25: Per Roads and Transportation, paving in the East Oak Park area is scheduled for summer 2026. A map of proposed locations is attached.	Med	VC Supervisor	Pending	December 2026
4	4/25/2024	Public Safety	Pedestrian Sidewalk	On Lindero Canyon Road there is no sidewalk causing pedestrians to walk in the street.	Update 3/26/26: The sidewalk is planned for in that area in the jurisdiction of the City of Westlake Village. Per their website: Sidewalks Westlake Village, CA - Official Website. In July, 2023 the City Council adopted a sidewalk master plan to guide the buildout process. Specific street segments where sidewalk is needed were identified and prioritized based on nine evaluation criteria. Segments in Category 1 are considered the highest priority and those in Category 4 are the lowest priority. As the budget is developed each year, specific segments will be selected, with design typically occurring one year and construction the following year. Below are links to the Sidewalk Master Plan final report and a map showing the sidewalk segments by priority category. The sidewalks requested are category 3 and 4, per the Interactive map: WLV Sidewalk Segment Priority Map - Google My Maps . Update 9/19/25: Public Works to provide an update at the September 25, 2025 MAC meeting. Update 4/16/25: Supervisor Gorell's office requested Ventura County Public Works if they have information on Los Angeles' plans for sidewalks on Lindero Canyon Road. Public Works has not yet responded to the inquiry. Update 11/21/24: Seema requested this item be reopened and for VC to work with LA County to have this addressed. The request is for the sidewalk to be extended, on the eastside of Lindero, from the Ventura and LA county line (where OP ends) to TO Blvd. Update 6/30/24: As reported by Dale Thomas, this is not in VC jurisdiction as it is not in Oak Park.	Low	Public Works	Closed	3/26/2026
5	5/30/2024	Construction / Real Estate	Enhancement - Community Signage	Requested estimate to install a "Welcome to Oak Park" monument, with solar lighting and planting on Lindero Canyon Road similar to that on Kanan Road.	Update 3/26/26: The LAFCO authorization for CSA 4 funds do not include new signage, only maintenance of current signs. When the CSA4 was formed and approved by LAFCo, the wording expresses that funding can only go to maintenance of current signs. There is no allowance for new signs to be budgeted for under CSA4 funds. Update 1/29/26: CSA4 budget does not have funding for new signage, only maintenance of existing signage. Update 9/25/25: This project will be considered for the 2026/2027 budget as there is no funding available for discretionary project in the 2025/2026 budget. Update 7/31/25: Target due date extended to allow MAC to consider landscape priorities based on 2025/2026 CSA 4 budget to be reviewed during the July 2025 MAC meeting. Update 5/29/25: PW has estimated the new monument and planting to cost between \$10-15K. This request will be considered following the 2025/2026 CSA 4 budget approval by the Board of Supervisors.	Low	Public Works	Closed	3/26/2026
7	9/16/2024	Public Safety	ADA Compliance	Two of the four crosswalk curbs at the 4 way stop intersection of Medea Creek Lane and Oak Hills Drive are not ADA compliant. Public Works incident #15973354.	Update 9/25/25: Crosswalk compliance will be addressed with the street paving project scheduled to be in 2026 (refer to item #1).	High	Public Works	Pending	December 2026
11	9/26/2024	Public Safety	Medea Creek	Community members are very concerned about the lack of coordination, communication and permits regarding the clearing of Medea Creek. Most recent maintenance project, the impact and failures were outlined in an email from resident Steven Kozel to the new Public Works Director, Greg Strakluse, on 9/24/24. The MAC requests that the public have the opportunity to review and provide input on the DRAFT Watershed Protection District's 2025-2030 DRAFT CDFW Routine Maintenance Agreement for consideration and inclusion in the final Agreement submission to CDFW (due by year-end).	Update 11/20/25: In Progress. CDFW is still reviewing VCWPD's 2025-2030 Routine Maintenance Agreement Update 9/19/25: Public Works will share the agreement once it is received. Update 7/29/25: MAC is still waiting to receive a copy of the CDFW executed Agreement from Ventura County Watershed Protection District. Update 4/16/25: Ventura County Watershed Protection District continues to discuss this matter internally. CDFW continues to review the District's submitted application for a 2025-2030 Routine Maintenance Agreement. Update 3/24/25: During the January 2025 MAC meeting, PW expressed their commitment in finding a balance between adhering to clearance safety protocol while respecting a natural aesthetic (e.g., not cutting everything back). The MAC goal remains to have a management plan for the area and the MAC is awaiting to receive a copy of the Approved 2025-2030 Routine Maintenance Agreement from PWA Watershed. Update 9/26/24: DRAFT CDFW Routine Maintenance Agreement to be provided as part of the October meeting packet and Ashley will invite Watershed staff to attend to address community concerns.	High	VC Supervisor	In Progress	4/9/24/2024 06/30/2025
19	3/27/2025	CSA 4 Budget	Funding - Crossing Guards	The Oak Park Unified School District to provide written reports at the October 2025 and March 2026 MAC meetings on its progress for obtaining grants and other available sources of funding for crossing guard services in 2026.	Update 10/30/25: OPUSD attended the 9/25/25 MAC meeting and shared that they will explore potential alternative funding (grants, OPEF fundraising, reducing low-use guard sites)and will prepare an RFP for next year to ensure fiscal responsibility. Update 9/25/25: OPUSD will provide an update during the October 2025 MAC meeting. Update 3/27/25: This information is required from the District as a condition of the MAC approving their requested FY26 (2025-26) \$275,000.00 crossing guard program funding.	High	OPUSD & Public Works Real Estate Division	Pending	10/30/2025 3/26/2026
25	2025	Public Safety	Shopping Center (Lindero)	Shopping Centers at Kanan and Lindero are in disarray (landscape, signage) and pose safety issues (uneven / eroding parking lot pavement and unmarked parking spaces).	Over the course of several months, community and MAC members raised concerns regarding the safety and overall condition of the Lindero Canyon shopping centers. While the irrigation at the Oak Park sign on the SE corner was remediated, the 3 centers remain a community eyesore (poor maintenance/repair of signage and landscaping) and pose public safety issues (parking lot condition and space striping). Refer to updates below for each location.	High	VC Resource Management Agency	Pending	TBD
25A				A. North Ranch Center (1135 Lindero Canyon - SW corner)	Update 3/26/26: This is within the City of Thousand Oaks jurisdiction and it has been assigned a code case under CODE-2026-0139. A general information update will be provided to Crystal upon their review.	High	VC Resource Management Agency	Pending	TBD
25B				B. Oak Park Plaza (702 Lindero Canyon - NE corner)	Update 3/26/26: VC Resource Management Agency visited the site in August 2025. Upon review, the center was found to be in full compliance at that time and a revisit is scheduled for October 2026. However, per continued community member complaints and photos taken on 3/10/26, the parking lot does not have parking space striping and overall the lot surface is poor condition. A request to revisit the site sooner than October 2026 was submitted on 3/12/26. A property review was subsequently conducted and the property was found to have violations (parking lot maintenance, temporary signage, tenant permits). A Notice of Violation was issued on 3/19/26 with corrections to be completed by 4/21/26.	High	VC Resource Management Agency	Pending	4/21/2026
25C				C. Oak Park Shopping Center (632 Lindero Canyon - SE corner)	Update 3/26/26: Property is currently involved in our enforcement process and receiving daily civil administrative penalties as of 2/23/26.	High	VC Resource Management Agency	Pending	TBD
26	1/23/2026	Landscaping	Tree Removal	A resident reported to the MAC Chair that a mature tree in the 200 block of Kanan (west median) was removed. Community members are concerned that trees on Public Right of Way are being removed without alternative solutions being considered.	Update 3/26/26: It was determined that the landscaper's arborist deemed the (pine) tree to be 80% diseased. As a replacement, an olive tree was planted around 2/3/26. This tree was removed as part of the landscaper's annual tree services whereby 1/3 or 30% of community trees are inspected, trimmed and removed. This is timed related to nesting season so nests and eggs aren't disturbed. The entity that inspects trees and plans the trimming, removal, or leaving as is, is the arborist division under Mariposa. Individual tree reports from the arborist are not in the contract and are not provided. This would be an extraordinary expense to do this on such a scale, as such a report on the removed pine tree is not available.	High	Public Works	Closed	3/9/2026
